## Facing the Revolution: The Main Characters of the American Revolution

As you explore the links posted to my website, please answer the questions below for each person that you read about. I would like you to aim to research three of our founding fathers but if you have more time and would like to go above and beyond please feel free to explore more.

1. Founding Father #1: \_\_\_\_\_

a. Why did they want us to become our own country?

b. How did they get involved in supporting the cause for Revolution?

c. What was their main role in helping to form our country?
